

**FLORIDA HOSPITAL  
GRADUATE MEDICAL EDUCATION  
AHP ROTATING STUDENT POLICIES AND PROCEDURES**

In support of its educational mission, FH GME provides rotating residents from any accredited Allied Health training program in good standing with a rotation experience that offers a variety of clinical exposures in its Training Programs or with any of its registered FH Medical Staff members in good standing. A rotation experience is designed to fulfill the requirements as outlined by the Specialty Board of the program. The purpose of this policy is to provide an environment that is safe for patients, office staff, students and medical staff; respect patients' rights to privacy and confidentiality; and enhance the educational experience of the rotating residents.

**I. ROTATING RESIDENTS**

1. Rotating students must complete the FH GME application form online.
2. Rotating students must execute an affiliation agreement between Florida Hospital and their training program prior to the start of the rotation.
3. Rotating students must provide a copy of the Program Director letter of approval for the scheduled rotation at Florida Hospital.
4. Rotating students must obtain the State of Florida's training license prior to the start of the rotation.
5. Rotating students must wear both their current program's photo ID and FH ID badge at all times.
6. Rotating students must provide malpractice coverage for the duration of their rotation experience at Florida Hospital.

II. There may be extraordinary circumstances where there is a request for a rotation experience that does not meet the extent of this policy. Such requests may be approved at the discretion of the Director of Academic Affairs.

III. Rotating students will abide by all applicable Florida Hospital policies.

IV. Any violation to any of the above policies will result in immediate termination of the rotation experience.
